## Approved For Release 2005/11/17: CIA-RDP58-00039A000500040111-1 Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Plans & Policy Staff/TR

DATE: 23 February 1956

FROM : Chief, Administrative Branch/TR

SUBJECT: Weekly Activity Report #8

25X1 SIGNIFICANT ITEMS - None

II. OTHER ITEMS

## B. TRAINING PROGRAMS:

- (1) Army Language School, Monterey, California
  The Processing Section obtained a slot for Greek language training at the School. The trainee for this program and one for the Bulgarian language training received their final briefing prior to their departure this week.
- (2) Maxwell Air Force Base
  The Office of Security requested a list of Agency personnel from the Processing Section who have attended the Weapons Orientation Course at Maxwell Air Force Base since January 1955. This is in connection with the requirement that all Agency personnel attending this course must have a "Q" clearance.

## (3) Reports

- (a) The OTR January Report of Trainees and the report of waivers and deferments of Training Standards was disseminated on 16 February 1956.
- (b) The semi-annual external training report was submitted to Chief/LETS for inclusion in the semi-annual training report to all Agency components.

	<u> </u>	
5X1	C.	

(1) Student Sick Leave
A verbal agreement has been made between and the
Registrar's office regarding annual and sick leave taken by students.
The leave is now reported twice a week to this office. A memorandum confirming this procedure will be sent to the Administrative Officer,
Site III.
